The Papers of Dwight D. Eisenhower as President of the United States, 1953-61, were deposited in the Dwight D. Eisenhower Library in 1969 by the estate of Dwight D. Eisenhower. This deposit was made pursuant to the President’s will and his letter of April 19, 1960 to General Services Administrator Franklin Floete.

Linear Feet: 138
Approximate number of pages: 276,000
Approximate number of items: 138,000

Literary rights in the writings of Dwight D. Eisenhower are held by his literary executor, John S.D. Eisenhower.

In accordance with President Eisenhower’s April 19, 1960 letter to Franklin Floete, the following classes of documents will be withheld from research use:

1. Papers that are security-classified pursuant to law or Executive Order, until such classification shall be removed.

2. Papers the use of which may be prejudicial to the maintenance of good relations with foreign nations.

3. Papers containing statements made by or to President Eisenhower in confidence.

4. Papers relating to President Eisenhower’s family or private business affairs, and papers relating to the families or private business affairs of persons who have had correspondence with him.

5. Papers containing statements about individuals which might be used to injure or harass them or members of their families.

6. Such other individual files as President Eisenhower, his representative, or the Administrator of General Services may specify.
