President of the United States,
 Dwight D. Eisenhower,
 The White House,
 Washington, D.C.

Dear President Eisenhower —
I wish to praise you in your
speech last night telling the Chinese
to negotiate or fight.

Now then to another subject —
This summer we were host to the National
Society S.A.R. Every S.A.R. who came to
Mississippi saw, participated in and
approved your way of segregation. 98%
of the S.A.R.s are infuriated over forced
integration and are doing something to
stop forced integration — nearly every one
of us except you — do you still choose to
be and act like an S.A.R.? We wish
you would get hold of yourself and again
order segregation. This seems unlikely
there for it appears to us that you
(over)

would rather see white and negro bodies
piled high in the streets so their blood
will mingle freely in the gutters. This
is the only way our blood will mix.

This is the last that you shall
hear from me in so far as we
begging and pleading for you to restore
States Rights, Racial Integrity and
Constitutional Government to the land.

It is evident that you neither desire
this for the people nor wish for
them to obtain it. Never-the-less,
we shall have it whether you
wish it or not.

Many will suffer now but soon
all will be better for the South and the
Nation.

It is my purpose to make life happy
for most of us by thwarting some of them who
would destroy all of us.

Sincerely
Pyron De La Sackville
