Reference my telegrams 2628 and 2636.

Foreign Minister Zorlu called for me 12 noon today, said Prime Minister Menderes had been summoned Presidency. Zorlu wanted tell Embassy USA could continue use U-2 in accordance with agreement with Turkey (see EMBTEL 2573, paragraphs 3 and 4). GOT would prefer not be mentioned to American press in connection with resumption NASA weather flights. Should it be necessary however name Turkey it should be stated any planes here will continue be operated accordance our agreement Turkey. Embassy Ankara recommends Turkey be not mentioned at all.
