Synopsis of Intelligence material reported to the President

SOVIET LONG RANGE AIR FORCE TRAINING

The recent deployment of BISON jet heavy bombers to Anadyr, in extreme northeast Siberia, probably involved operational training in handling of nuclear weapons. While the Soviet Long Range Air Force has long been credited with a capability for carrying out such training, [redacted] intelligence provides data in support of this point.

CARIBBEAN

Venezuela and the Dominican Republic are alerting some forces and are growling at each other. Trujillo claims that an eighteen-man invasion force from Cuba landed on June 14.
