~~TOP SECRET~~

THE DEPUTY SECRETARY OF DEFENSE
WASHINGTON 25, D. C.

27 September 1962

Dear Laurie:

With reference to our conversation on 6 September and your letter of 8 September 1962 on the subject of [redacted] on NATO QRA aircraft, I hope that we can have an early resolution to the problem. A study of the matter, which I ordered before leaving for Europe, has been completed. Our next step is to sit down with State and AEC to develop a program which will be acceptable to the interested departments* and hopefully, to the White House also.

I will not estimate a time for decision on this issue but you may be assured that Defense is pursuing the matter with vigor.

Sincerely,

Los
